

The Mandala Center

December, 2019

Dear Friends of The Mandala Center,

The Mandala Center is a peaceful place to refresh the mind, renew the spirit, and heal the body.

Those of you who have visited, either as individuals or with a group know the experience and reality of this mission and vision. The Mandala Center is truly a unique and wonderful place to be. The programs, buildings, and land are the mandala where transformation happens.

A few comments from guests who have experienced the truth of our mission and vision:

“Walking the labyrinth each morning & evening (as the sun set) was the perfect active meditation to start & end my day. The grounds are so serene!”

“This is my third yoga retreat at The Mandala Center. I love everything about this special place and I’m grateful that it exists. Thanks very much to the people who created it and those who maintain and operate it.”

“I rediscovered myself! Thank you for this wonderful, beautiful place!”

“I truly experienced God creation and beauty in this place. I feel less stressed & greatly relaxed. The accommodations were wonderful, the staff went out of their way to make things perfect & the food was just plain wonderful. As a recent widow, this was a gift to me in many ways.”

“The Mandala Center looked great from the website, but after staying here, I can say it was surprisingly wonderful...”

Several groups have already reserved space for 2020. We are looking forward to new groups and individuals discovering The Mandala Center this coming year.

Your charitable gift helps us offer inspirational workshops, maintain the well-being of the land and Center itself, and offer opportunity for new growth and development for those who journey here. A donation of any size is a vote of support that affirms you value The Mandala Center and the concept of personal retreat and you want to ensure such a place continues to exist. Most of all, it demonstrates that you value the people who come here...those seeking time for contemplation, study, creative pursuits, and personal development. Those who will help create a world that is loving, compassionate, balanced, and whole for all of us.

We are thankful for your support of this work by participating in programs, spreading the word to friends, family, and groups and your monetary donations. You help make a difference. Please make The Mandala Center a part of your charitable contributions this year.
